

FIG. 1

FIG. 2

FIG. 3

FIG. 3 is a schematic diagram of a medical device, showing two views of a component (60) and its internal structure. The left view shows a cross-section of the device, with a central shaft (70) and a handle (72). A dashed line indicates a cross-section of a component (60') with internal features (64, 66, 54). A vertical arrow (4) points upwards. The right view shows a similar device with a handle (72) and a component (60). A dashed line indicates a cross-section of a component (60) with internal features (64, 66, 54). A vertical arrow (4) points upwards. A horizontal arrow (24) points to the right between the two views. Labels 45 and 56 are also present.
